#### Livejournal Blog Layouts

Blog designs for paid and free Livejournal accounts since 2001

### employment

#### Starbucks Barista from August 2009 to June 2010

Creating the third place environment by connecting with customers while maintaining drink quality, consistency and speed of service. Tasks include cleaning equipment, facilities and preparing area for the next partner.

#### Starbucks Shift Supervisor from June 2010 to present

Providing legendary customer service in a fast paced environment by creating knowledgeable baristas, managing speed of service in both cafe and drive thru, and valuing a clean store. Creating a third place working environment by being available to partners, involved in store setups and by practicing proper cash handling and inventory management.
